DISCOVER THE UNUSUAL SYMBOLS OF THE IPA

Some IPA symbols look just like written English, but don't be fooled, the spelling to sound relationship of English is quite irregular... Here are some phonemes that don't match up very well with written English... Can you match them with the letters that are used to write them in English?

1. /θ/	<input type="radio"/>	<sh>
2. /j/	<input type="radio"/>	<th>
3. /tʃ/	<input type="radio"/>	<ng>
4. /ʃ/	<input type="radio"/>	<th>
5. /ŋ/	<input type="radio"/>	<y>
6. /ð/	<input type="radio"/>	<ch>
